I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

III. STATEMENT OF CLAIM

Place(s) of occurrence: _____

Date(s) of occurrence: _____

FACTS:

State here briefly the FACTS that support your case. Describe what happened, how you were harmed, and what each defendant personally did or failed to do that harmed you. Attach additional pages if needed.

Retaliation at its highest level with a streak of insanity, lust and obsession. The inhumane and wrongful action fired out is not love but pure hate. It appears to me the malicious prosecution is making me defendant relax.

The orders: I have filed against one of the defendant keeps that defendant coming back for more blood. That defendant has been very present in my life even when people who should know about it do not.

At one time I heard the defendant said "I am a sinner - You would never see me - You are like your father."

This defendant pictures themselves always drinking

a hot cup of coffee. I am that coffee. I know this defendant is very confused and shows many signs of confusion.

I must say my wealth gets him agitated. I believe the defendants think it belongs to him. "I have broken Rules" so said this defendant. Lock or key would not keep this defendant in or out.

Last week I was awoken by this defendant (10/9/20) and projected to get to a spit →

INJURIES:

If you were injured as a result of these actions, describe your injuries and what medical treatment, if any, you required and received.

Decrease in vision, memory, hearing, decline health and hygiene. Blurry eyes, temple pain, neck pain, chest pain. Blocked paths to housing + food. Oppression. Stalked, monitored. Traumatized. Overwhelm. Exposure to the elements. Swollen ankles. Reuse of dirty clothes. Harassed. Uncomfortability. Mental stress.

IV. RELIEF

State briefly what money damages or other relief you want the court to order.

I would like to ask the court to bring in the F.B.I., C.A.T.A. and L. James to investigate.

I would like to ask the court to order the defendants restore all what was scribbled, and to compensate me for creating hardships, stressors, and →

on Broadway next to Citibank. The defendant waited on the steps of the American Indian Museum. This defendant did the adult thing from that distance and then simply vanish after. I heard via previous vision the defendant said "You know I can use that thing from right here."

It was about 4:45am at the time of the incident. The defendant further said "She is not like me - I drop it anywhere".

This defendant also stole from me on the 9th. The defendant was boiling with rage again on 10/12/20. I heard the defendant said "And the damn thing is a repeat."

I do not know what form of transportation "he" took but "he" arrived. I heard someone said "she is asleep."

Penis malfunction. I heard someone said "You'll get a next chance but do not mess it up."

It appears to me Mr. Frost and my son Dwane is intertwined in that callaloo pot. I do not know if Mr. Frost is always present but it appears he was last night. I knew they are both there and being used for specific purposes.

At 3:00pm yesterday I knew it was that defendant I saw disguised coming through the inside moving car door. The train was in transit. Again at 7:45pm the defendant sat on a Fulton Street platform bench (lower level). As I passed by he flung something out.

The American Government took/kidnapped my son from a paradise (Trinidad) and brought him here to train him to become a professional thief and vampire. I heard someone said "I

need him to graduate - not have a weak heart."

Dwane can only graduate if he gets my wealth - I know this.

I heard someone said "How you mean you do not know you take it."

The "eye" was there too. I heard that defendant said "All going tonight."

I felt an unusual wind between 1:00am - 2:30am.

I further heard "How do you expect them to get the food nobody do not go by the Centre?"

It appeared to me this defendant rented a room opposite my 125 Water Street nook to be close to me.

I heard the defendant said this via VOSCON. The address opposite is 110 Maiden Lane.

Drugs, drugs, and more drugs. I was already told a long time ago by Jesus the defendant cannot perform without taking the drugs. I have seen the defendant driving like a crazy person when under the influence of drugs. It was present last night.

Sex and drugs. I heard someone said "You cannot get vex with me - I say the baby choking." This other sentence appear to be the answer to a question.

"Where you drive it last night with the little boy".

All of this - for my money. Crazy stuff. Crazy stuff.

I got passed in the hot water too. My stomach hurts. I took a partial number plate of the last 4 digits of a black taxi that came to pick someone up (694c) at 110 Maiden Lane. You still sniffing that is already past 5:00am"

I heard someone said.

I looked out the taxi for a while as it stood idling. I turned my head for a second and it just simply vanished at 5:28am. Apart from that there were others with some form of connection who stole before and after too.

A car pulled out from curbside of my work 125 Water Street at 10:30pm with partial number plate 578 on 578. People passed by at 2:45am; 2:30am and 3:45am. One very young man peeped inside my nook at 3:50am. Another man came out a door on the opposite side at 3:45am. A woman rolled a suitcase up ahead at 5:15am.

The evil empire must come down. The sunlight must come in. A new cake needs to be baked. Putting icing on a rotten cake does not make sense. Money cannot buy everything in the world. No one is above the law. The situation as it is stinks. One rotten can of dead worms.

I am quite sure about this. I do not think the American people needs a person with this type of character to lead them. There is no need to conceal the resume and profits of someone displaying erratic behaviors and no signs of healing. I have seen money passed that bought the silence of court employees. Enough is enough.

The world's biggest bullies and manipulators must come down. The world's biggest bullies and manipulators keep your blood money. The act you did to me last night is too horrible to write. Only hatred was acted out. The sunlight must come in darkness must go.

I am holding the defendants accountable of all of the things I have held them acco-

unable to join the last five orders. Do I have to repeat? I am holding the defendants accountable of discrimination, persecution, injustice, abuse of power, negligence and targetting.

This is history time. We are all history makers. How would you like to be remembered by others in the future?

I will exalt the name above all names Jesus. Time for uniting is now. Unite me with ~~all~~ my children in our house. Put a stake in the heart of all vampires.

We as christians cannot let anything and everyone in. Once it gets mixed in it brings in contamination. The contamination wiggles its way insidiously slowly and corrupts the entire group. It could get strong, gain strength/power and take over. One baby cannot be taken into this christian home/group.

I believe caretakers pass by a short while ago (10:20am) and stole for two babies. Put that money back. It has already started. You did physical harmful things to me last night to instantly bring on a motherly love and affection on that specific child. No manipulators in the kingdom. Put my money back thieves.

It appears I may need a wheel-chair in the future. My ambulation is poor. Am still eating from out the garbage and reweaving dirty clothes. I am anemic with a pre-existing health condition. My eyes are decreasing in vision. I am presently hurt over what has occurred to/with my son. I am mad with the US government over the treatment of my son and still looking for answers.

RECEIVED
pain and suffering. Compensate me for new heights and degrees of oppression and suppression.

In addition I would like to ask the committee/court to order the defendant paint me a picture I cannot refuse.

I would like to ask the court/^{committee} to order the defendants compensate Duane for pain and suffering, mental pressure, emotional stress and psychological damage. Compensate Duane for future scars and physical damage.

I would like to ask the committee/court to order the defendants compensate Mr. Frost for mental pressure, psychological and emotional distress. Mr. Frost already has a pre-existing health condition.

I would like to ask the court/committee to order the defendants hand over the keys to my bishop and all compensation. Hand over also all house keys. The kids are waiting. All the kids no exceptions.
